

ADJUSTMENT MEASURES TO COVID-19

SANITARY :

- ※ All our team follow a formation on the gesture and posture to adapt on duty. This involve the sanitary accessories manipulation and strict social distancing application.
- ※ Our house put at your entire disposal face mask and hydroalcoholic gel.
- ※ All our employees are equipped with AFNOR certification face mask and have at a direct access to the necessary for hand washing.
- ※ They are, as for professional attire, manage on site under the current norms.
- ※ New cleaning protocol been written, in total agreement with our government instructions, for all our services, each collaborator been trained and sensitized to.
- ※ A restocking of disinfection products have been done, we now only use normed product (EN 14776), guaranteed virucide against Coronas and SRAS
- ※ An increase management control is done on the disinfection of each furniture, object at disposal and contact point. The rhythm of these control is also increasing.
- ※ All our establishment is regularly ventilated every day.
- ※ The circulation plan been updated

SERVICE ;

- ※ The buffet breakfast is replaced by a 'a la carte' breakfast, under order, in room or on terrace, to your convenience.
- ※ The bellboy must take you personal stuff only from your car trunk and/or directly to your room.
- ※ Only under your agreement, your car will be moved by a member of our staff
- ※ Under governmental restrictions, we could not offer you the in-room minibar, our team remain at disposal 24/24h.
